

Re: Request to attend the 2022 **Back-to-School Bootcamp**

Dear

Markers and Minions will be hosting a three-day virtual event, the Back-to-School Bootcamp, July 26–28, 2022. I would like to attend this event as an opportunity to further my professional development.

The Back to School Bootcamp is aimed at helping teachers organize and set up their classrooms and yearly plans before the beginning of the year.

Here are some of the areas we'll focus on during the conference:

- Classroom Organization and Systems
- Planning and Looking Ahead
- Classroom Setup

I have itemized the associated costs:

- Registration fee for the 3-day virtual event is \$30
- Registration fee for the 3-day virtual event for a group of 10 or more teachers is \$27 per ticket.

You can learn more about the event and its presenters by visiting <https://markers-and-minions.mykajabi.com/BTS-Bootcamp>

Thank you in advance for consideration of this request,
